

MEMORY GAME

Dear Parents, play the memory game with your children to discover the world of oral hygiene with fun characters from the adventures of Little Brush and Big Brush.

**DO YOU KNOW THAT CHILDREN USUALLY WIN?
TRY IT TOGETHER WITH YOUR KIDS. HAVE FUN!**

The purpose of the game is to match each image with the corresponding card that has the same image.

- 1 Cut out each coloured tile with characters in page 1, along the red line.
- 2 Place all the tiles on this mat, with the image facing down.
- 3 Start the game! At each turn, the player turns over two tiles.
- 4 If the two turned tiles are an identical pair, the player takes them and can open another 2 tiles again. This repeats until the player makes a mistake.
- 5 If the two tiles are not the same, he must turn them over and put them back on the mat, then it's up to the next player.
- 6 The game ends when there are no more tiles on the table: the player with the most collected wins.
